Character Oak Floor

1mm Edge Bevel

Arris

A small 1mm or 2mm bevel or arris on the edge is available upon request. Please insert code YFBV for a bevel finish, or code YFAR for an arris finish.

Special widths are available subject to quantity on request. Many other species of hardwood are available for flooring. See range of available hardwoods on pages 8 - 10.

Visit our Flooring Showroom open 6 days a week.
